

## Stewardship Meeting

Wednesday, May 3, 2017

Present at meeting: Pastor Glenn, Barbara Nybakken, Roland Barden, Ron Moen, Sue Fletcher, and Maureen Smyth

- The committee set November 12, 2017, as Stewardship Sunday. Pastor Glenn will do a stewardship message on November 5<sup>th</sup>. We need to get 2 or 3 people to give temple talks.
- We discussed ways to improve communication between council, committees and the congregation. Some ideas include having a “mini ministry fair” on November 12<sup>th</sup>, where each committee will set up a table to showcase what that committee is all about. We also discussed the possibility of a “committee of the month”, giving each committee a chance to give a temple talk. We also recognized the need to better communicate news and ideas to Sue so that she can get this information into the email blast and bulletin announcements.
- We discussed ordering several copies of “Living Lutheran” magazine, approaching it as a “lending library” set-up, where folks can read and return the magazine. Ron will look into pricing.
- The committee will purchase bottles of water to be passed out to the congregants on June 4<sup>th</sup>, with a message tag reminding us to be good stewards of our own bodies.
- Our next meeting will be on September 20, 2017 @ 1:30 pm, at Barbara’s house.
- Our meeting closed with the Lord’s Prayer.
